## NEXTON IS YOUR STAYCATION STATION

Sometimes the best getaway is ... home. Especially if you live in Nexton, where a fantastic selection of new homes have become available. And where home is just a short walk, bike ride or golf cart drive from resort-level diversions such as the Midtown Clubhouse (think tennis and pickleball courts, fitness/yoga studio and a pool that's more like a lagoon). Picturesque parks and long wooded trails. Almost forty outstanding eateries such as Halls Chophouse and Page's Okra Grill. And, of course, all the comforts of home.

## WORLD-CLASS DESTINATIONS, RIGHT IN THE REGION

Talk about the perfect jumping-off spot. People fly from all over the globe to experience places like Charleston, Myrtle Beach, Hilton Head and Savannah. You, on the other hand, can just pack a bag, hop in your car and within a few hours find yourself in some of the most storied destinations on the planet.

**HIT THE ROAD**

## GO FARTHER, EASIER

So, you have your heart set on a BIG adventure. Skiing in Colorado. Catching a few shows on Broadway. Playing a few golf courses in Florida. Taking the grandkids to Disneyland (the original in California).

Well, it's a good thing Charleston International Airport is just 20 minutes from Nexton and offers direct flights to all these destinations and more. And since non-stop flights go both ways, friends and family have an easier time coming to see you.
