

TA-DA! PLEASE JOIN US AT MODEL ROW'S GRAND RE-OPENING.

Springtime is all about big reveals, and we can't wait for you to see the fruits of our winter labor. (And enjoy a tasty and music-filled afternoon while you're at it.) At Tour de Row you can tour brand-new model homes from New Leaf Builders, Saussy Burbank, Brookfield Residential and from Nexton's newest builder, DRB Homes. Explore freshly updated model homes too, along with tons of new collections and floor plans from all our builders. And check out a sweet selection of new homes ready for move-in, both now and soon.

So how to keep your energy up for all this Tour de Row-ing? Pop by any of the food trucks we'll have on hand — including Dizzy Lamb, El Kiosko and Roxy's Shaved Ice. And keep the party vibe going for the whole family with a DJ, games and kid-friendly entertainment. See you on the Row.

COME TO OUR BIG DEAL OF A REVEAL

GET A TASTE OF SAUSSY'S SWEET NEW HOME COLLECTION

When Saussy Burbank opens its brand-new Cooper model during the Tour de Row event, it will be introducing a whole new collection of single-family homes. Saussy Burbank is known for its detailed architecture and inspired coastal designs. The Waterway Collection brings something more. Larger homes, from 3,000+ square feet and larger home sites. Which means larger spaces for, well, everything, like a swimming pool or putting green. From the \$700's.

PREP FOR THE PARTY

PUTTING THE TOWN IN TOWNHOUSE

Save this date: May 3. Because that's when another of our newest builders, Stanley Martin, will introduce their city-loving, three-story townhomes to Brighton Park, right next to Downtown Nexton. Modern and spacious, these townhomes will put you down the street from yoga at HYLO Fitness, smoothies at The Bomb Bar, daycare at Goddard School, and a few four-legged steps from Go Dog's doggy daycare with bar (for you, of course).
